VOLUME III INDEX OF CONTENTS BY AUTHORS AND ARTICLE TITLES

Affective Learning In The Language Development of Young Children, Mildren Robeck, Fall 1969, 32-42.

An Economic Analysis of The Wisconsin Elementary Teacher Education Project: A Summary Statement, M. Vere De Vault and John M. Kean, Spring 1970, 94-106.

An Overview of The Georgia Feasibility Study, Charles E. Johnson, Spring 1970, 18-29.

An Overview of The Oregon Elementary Teacher Education Program and Feasibility of Its Implementation, H. Del Schalock, Spring 1970, 68-79.

Auditory Perception - Implications For Language Development, Belle Ruth Witkins, Fall, 1969, 100-110.

Bailey, Stephen K., Emergence of the Laboratory Program, Winter 1970, 1-4.

Becker, James W., Incorporating The Products of Educational Development Into Practice, Winter 1970, 81-103.

Behavioral Science Teacher Education Program - Feasibility Study Summary, W. Robert Houston, Spring 1970, 45-55.

Brimer, M. A., Sex Differences In Listening Comprehension, Fall 1969, 72-79.

Carroll, John B., Reaction Paper, Fall 1969, 80-81.

Chase, Francis S., The Laboratories: 1970 and Beyond, Winter 1970, 104-120.

Critical Listening and Thinking: A Recommended Goal For Future Research, Sara W. Lundsteen, Fall 1969, 119-133.

De Vault, M. Vere and John M. Kean, An Economic Analysis of The Wisconsin Elementary Teacher Education Project: A Summary Statement, Spring 1970, 94-106.

Devine, Thomas G., A Suggested Approach To Controlled Research In Language - Thinking Relationships, Fall 1969, 82-86.

Dickson, George E. and Dennis E. Hinkle, A Study of The Feasibility of The Ohio Teacher Education Model, Spring 1970, 56-67.

Dodl, Norman R., A Summary - Feasibility Study of The F.S.U. Model For the Preparation of Elementary School Teachers, Spring 1970, 8-17.
